

Promotional Materials

We have used notes on doors, banners and primarily a Facebook group. These are shown below.

Below is the original note left on people's doors during a prayer walk:

I prayed for you and your family as I walked by your home - for peace, protection and unity. These are tough times, and God is still on the throne.

His promise to us is this:

Rejoice in the Lord, always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. - Phil 4:4-7

While we may not be happy about this situation, we can rejoice in the Lord and talk with Jesus about our troubles and ask for peace and wisdom, which He freely gives His children.

If you have something or someone specific you would like prayer for, feel free to email me at Praying@TakeFlightNOW.org. It will remain confidential and I will pray. If you'd like prayer by phone, I would be blessed to do that with you (simply email your phone number).

I'm part of the Thornbrook community and God led me to help in this way.

May you feel God's presence and hear His voice. He loves His kids and wants to talk with them, just like any good parent.

Loriana

Then I posted on the subdivision Facebook page, telling them about the door posting above and encouragement walls (see other pdf).

The leadership team then decided to create a private Facebook Group. This is a place people can go for prayer, encouragement, and to share needs. This is not as ideal as a website, as it isn't as functional, but it was free and easy and fast. The challenge is getting people to join it. For that we put postings on the regular subdivision Facebook page and also invited people directly. Finally, we put banners up in the subdivision (which we unfortunately had to take down after a complaint, but I would still try it).

This was designed and made by Direct Impact, <https://www.directimpactprint.com/>, made the 3 foot by 6 foot banner as well as yard signs, which we display at houses with encouragement walls, prayer boxes, etc. We would highly recommend them.

Facebook Group

This is what the group looks like. Two of our leaders are administrators.

There are daily posts to the main page for encouragement. The prayer co-leaders post on Monday and Thursday asking specifically for gratitude's on Monday and answered prayer on Thursdays.

The screenshot shows the Facebook group interface for "His Hands and Feet in Thornbrook". The group is a private group with a cover image featuring a hand and a footprint icon, and the text "His Hands and Feet". The left sidebar includes navigation options like "About", "Discussion", "Members", "Events", "Photos", "Watch Party", "Moderate Group", and "Group Quality". Below the sidebar is a search bar and a list of shortcuts to other groups. The main content area shows a "Write Post" section with options for "Photo/Video", "Live Video", and "More". Below this is a "Recommended Groups" section. The right sidebar features "POPULAR TOPICS IN POSTS" with "Get Prayer (1)" and "Essential Needs (1)", an "INVITE MEMBERS" section with an "Embed Invite" option, and a "MEMBERS" section showing 24 members and a "Write Post" button. At the bottom of the right sidebar, there is a "SUGGESTED MEMBERS" section.

We posted links to forms in the “about” section so people know how to get help or volunteer. Make sure it is clear that instructions are located here before the “more.”
